882636

Brixworth Nursery Farm is an inspirational purpose built life skills & resource centre established in June 2007 to provide high quality day opportunities for adults with learning disabilities.

We are situated in the Northamptonshire countryside overlooking Pitsford Reservoir, just a short 15-minute drive from Northampton, Kettering & Wellingborough town centres.

Our purpose built centre is built from timber & other renewable resources, which makes it eco-friendly & gives it a ranch style feel. It is fully compliant with current disabled regulations. Inside, the centre has large & well-equipped multi purpose rooms, which are used for a variety of sessions. A large semi commercial training kitchen allows our clients to acquire new cooking skills.

Brixworth Nursery farm is set in extensive grounds. As well as lawns in front of the centre there are two commercial polytunnels, an animal husbandry unit & vegetable beds. In addition to offering horticulture & animal husbandry sessions the outdoor areas provide plenty of space for people to de-stress & enjoy the fresh air & sunshine.

Brixworth Nursery Farm can cater for up to 30 adults with learning disabilities each day.

Groups are small & person-centred. Our friendly & enthusiastic staff are regularly appraised, trained & reviewed to assist them in being able to meet our clients needs.

Our aim is to help all of our clients to achieve their full potential in a relaxing, supportive & therapeutic environment.

On-Site Sessions include; Horticulture, Animal Husbandry, Horse Care, Arts & Crafts, Beauty, Gym/Keep Fit, Music, Dance, Drama, Office Skills, Cookery, Literacy and Numeracy, General Life Skill, Independent Living Skills and Relaxation.

**We are now welcoming school and college leavers.  
If you would like to visit Brixworth Nursery Farm,  
please join us at our open afternoon on Saturday 4th  
June 2016 between 2pm & 4pm.**

**If you would prefer a private viewing please contact  
Siobhan Purtill on 01604 882636  
or email [manager@brixworthnurseryfarm.co.uk](mailto:manager@brixworthnurseryfarm.co.uk)  
We look forward to meeting you.**
