

May 2015

Dear Parent/Carers

Students here at Greenfields Specialist School for Communication can choose to have a hot meal everyday provided by our school kitchen or if they prefer, a packed lunch can be brought in.

We are not able to reheat any food brought into school for health and safety reasons, our hot meals will cater for any dietary requirements and can be liquidised, finely chopped or mashed to suit the needs of the student.

Please complete the enclosed 'DIETARY NEEDS' form and the slip at the bottom of this page.

If your child is entitled to Free School Meals please ensure that any required paperwork is up to date with the Free School Meal Team at Northamptonshire County Council.

Yours sincerely

Lisa Atack
Head Teacher

School Meal Preference
