

May 2015

Dear Parent/Carers

We ask parent/carers to provide the following equipment for their child while at GSSC:

All students:

- Students, except Post 16, to wear school uniform.
- Students to have sports kit as identified in the list provided, including appropriate footwear.
- Students who have hydrotherapy or swimming to provide their own swimming kit and towels, which will be sent home for washing.
- Students to bring a box of tissues to school as required for personal use.

As appropriate:

- Students who regularly use wet wipes to bring a tub to school on a regular basis.
- Students who require substantial protection for their clothing to provide these items as school do not provide towels or a laundry service for these items.
- Students to be provided with a pencil case containing suitable writing equipment.
- Students who need protective swimwear will not be able to swim or have hydro in the pool without them. These items can be found on the following website: www.incywincy.net and they have both adult and child sizes.

ALL ITEMS SHOULD BE CLEARLY MARKED WITH THE STUDENT'S NAME

Thank you.

Greenfields Specialist School for Communication
